

Lynhaven School
3rd Grade Resource Outline
Week of 3/30-4/3

CUSD schools will close from March 16-May 1st due to concerns associated with the COVID virus. We wanted to make resources available for families so that the learning can continue at home during this time. Below please find a suggested schedule to establish a routine with your child/children and suggested instructional activities that you can ask your child to do throughout this week. We will provide you with additional resources on a weekly basis.

Suggested Schedule to Establish Routines

Parents, please print this schedule or have your child copy the times and subjects onto a sheet of paper so they can be more self-directed! Thank you.

Parents we want them to follow this schedule without being a burden on you, so we gave them lots of choices. We expect them to be Self-Directed and we want them to have choices to keep their interest.

-Students that receive support with Ms. Bies, make sure to check out her SEESAW page for additional resources!

8:05 - 10:00 Language Arts Block

Reading - books or the Reading workbook that was sent home

All Reading activities assigned on SeeSaw-Do 1 activity per day. Your teacher is checking Seesaw daily and is looking forward to seeing your work!

Epic, Raz kids, Newsela are free online reading sources (Links below)

Writing (Cornell Notes, Google Docs, Daily Personal Journal, Write a letter to your teacher or classmate in SeeSaw, be creative!)

i Ready Reading Lessons-(link below to at home lessons) these lessons are a great way to cover Grammar, Phonics, Spelling, Reading Comprehension.

Suggested time is about 30 minutes at a time. (All tests have been taken off of iReady)

10:00-10:30 Movement Break/Go Noodle <https://app.gonoodle.com/> /Snack

10:30 -12:00 Math

Workbooks -(suggested) 2 pages a day

SeeSaw Activity

Khan Academy - all subjects

iReady Math - 3 lessons (link below in math section)

Zearn

Moby Max Math fluency/Math Facts

Fun activity with Math

- cooking/baking with measurements

- using tape measure to measure things around the house to 1/4, 1/3, 1/6 increments (or if you have a handy person in your family you could build something!)

Prodigy

12:00 -12:35 Lunch

12:40-1:10 Silent Reading (set timer) If you don't have books you can use Epic or Raz kids

1:10-1:45 Design Engineering/Steam - work with your hands/create/design something that has a purpose with things in your home Such as cardboard boxes, shoe boxes, plastic bottles, yard, fabric whatever you can find in your home that is ok with parents to use/recycle.

Tynker

Code.org

Youtube.com has fun science and art projects that they can do at home.

1:45 - 2:30 Science/Social Studies

Ideas:

-Mystery Science Mini Lessons (link below in science section)

-Research a favorite scientist or person in history

-Do a Google Slideshow of that person

-Use Cornell Notes I have attached to gather information and make quick notes

-Look for a fun at home science experiment/DIY online to do by yourself or with a family member that is safe and with things you have on hand

- Do 2 pages of the History/Social Science workbook I sent home (it's an old curriculum but really good!)

- Visit online zoo sites - my favorite is the San Diego Zoo Animal Cam! There's a new baby hippo!

zoo.sandiegozoo.org

-NASA has a great site for kids: spaceplace.nasa.gov

PARENTS PLEASE USE THESE ADDITIONAL RESOURCES AS ACTIVITIES BELOW!!!
