How to Use the Code for Home Learning with Your Child

If your child received a Home Learning Code from his teacher or school, follow these instructions:
1. Go to https://app.seesaw.me on a computer. Or install the **Seesaw Class** app on an iOS or Android device .

2. Choose "I'm a Student"

3. Scan your code using the QR code scanner in the Seesaw app. Or type in the text code you received from your teacher to access your Seesaw account. **This code is like a password. Keep it safe!**

4. Once inside, it will be in the student's diary where you can complete the activities and see the announcements of your teachers. To view the activities, touch the "Activities" tab. To see the ads, touch the "Inbox" tab.
